1. Think it not strange, think it not strange who I bring you now, how I bring them, for I see the East and the West and the North and the South, the South and the East, the West in them all, the East going forth penetrating.
2. I have My body and I am coming to all in **every nation, tribe and tongue will come to every tribe and nation and tongue**. Watch Me. Watch Me. Watch Me.
3. Take My direction-less people into every direction into the globalization of only Me.
4. I love you and I forfeit not that which I have called you to, that which I have called Yarred to, that which I have called My WeekWorkers to.
5. But I come and I call and I conquer and I globalize now My seed in the North, My seed in the South, My seed in the East, the West, crisscrossing, crossing, and crisscrossing again. Watch Me. I love you and I thank you for your honoring of all. Amen.
